## Warranty

The RaraRTACabinets warranty covers the repair or replacement of kitchen cabinets that have defects in materials or workmanship for a period of 20 years from the date of purchase. This warranty applies only to the original purchaser and is limited to residential use.

This warranty is strictly limited to repair or replacement of defective parts at the discretion of RaraRTACabinets. It does not cover labor costs for removal or reinstallation.

The warranty does not cover defects caused by improper handling, storage, installation, assembly, disassembly intentional damage, modifications, exposure to elements, humidity-related warping or splitting, accidental misuse, abuse, or negligence.

Natural wood may vary in texture, color, and grain, and may undergo subtle changes over time. For example, wood joints may develop visible cracks, and cabinet colors may lighten or darken due to environmental factors such as sunlight, smoke, moisture, and household cleaners. These variations are considered natural aging and are not covered under warranty.

Cabinet styles and finishes are subject to change and are exclusive to RaraRTACabinets. If your cabinets become unavailable, we will make every effort to provide replacements. However, if parts are no longer available, we may not be able to fulfill replacement requests.

If discontinued cabinets or parts are still obtainable, customers will only need to pay the cost of the parts plus shipping.

RaraRTACabinets reserves the right to determine the best method to resolve defects- this may include replacing specific components rather than entire cabinets, For example, we may replace a cabinet door instead of the full unit The determination of what qualifies as "defective" is made by RaraRTACabinets, not the customer, Photos will be required for replacement requests.
